

Camp Aman

(ah-mon = EXPERTS) | Rising Grades 1 – 9

Camp Aman offers campers the chance to fully immerse themselves in a subject they are passionate about with each program centered on building expertise through hands-on learning. Led by experienced staff, campers develop new abilities each week in a fun, focused setting. A hallmark of Camp Aman is that we offer a variety of topics and flexible half or full-day options allowing children to explore multiple interests and maximize their potential. All supplies are included in pricing.

Camp Aman runs options for full day from 9 am – 3:30 pm, or half day programs 9 am - 12 pm or 12:30 pm – 3:30 pm. Half day options can be combined to make a full day program. Since our offerings are interest-based, some programs are for multiple age groups, while others are split by age-group. Campers staying full day bring a dairy lunch. Snack is provided daily for all campers. To dedicate our time to skill-building, swimming is not included in the Camp Aman program.

Minimum enrollment required for each program.

PROGRAM OFFERINGS

*Aerial Arts | Grades 4-9

In a new partnership with Bittersweet Studios, we are excited to announce our first ever Aerial Arts program! With expert instructors, students will develop strength, flexibility and coordination while learning breathtaking aerial tricks across different apparatuses. This unique experience will inspire confidence and creativity as they soar through the air.

Artistic Expressions | Grades 1-9

Unleash your imagination, combined with artistic techniques learned from popular artists, to create stunning pieces that reflect yourself. Many mediums will be explored so that the young artists can find their muse.

Artistic Impressions | Grades 1-9

Paint, sculpt, and draw like the masters. Every day in this class we will learn about a different artist and their unique style, trying to mimic and master the techniques that made them famous.

Basketball | Grades 4-9

Elevate your game this summer! Perfect for aspiring athletes, this program focuses on honing fundamental skills such as dribbling, passing, and shooting, while fostering teamwork and sportsmanship.

*Book Binders | Grades 1-9

Whether it's a compilation of poetry, a first novel, or a gripping comic book, all works of literature need to be properly illustrated and bound. Join us for an exploration into the process of taking an idea and turning it into a physical book.

Brick Basics | Grades 1-5

Develop your inner Brick Builder. This program blends the art of LEGO® building with the excitement of creative exploration and scientific concepts. Campers will craft imaginative spaces, places and characters while fostering collaboration, creativity and a love for learning – all through the versatile medium of LEGO bricks.

B3 Magical World of Wizards | Grades 1-5

Dive into the magic of chemistry with this potion making class. Use your unique wand and wacky ingredients for some truly special experiments.

B3 Space Explorers | Grades 1-5

Come get out of this world! Campers will tackle the mysteries of space, travel, and solar systems by learning about rockets, gravity, and maybe even a little sci-fi!

Capture the Moments

Photography & Videography | Grades 1-9

Explore the art of photography and filmmaking while journeying into the world of visual storytelling. Campers will learn the basics of composition, lighting, and camera techniques while using their creativity to capture unforgettable moments. Participants will bring their creative visions to life through hands-on projects.

Chef's Choice | Grades 1-3 and Grades 4-9

Exhibit your inner chef with hands-on experience in the kitchen. Campers will explore a variety of culinary techniques, experiment with flavors, and create delicious dishes while developing essential cooking skills.

Chess | Grades 1-9

Knight School Chess is a fun, high-energy experience where kids celebrate new chess tactics with silly videos, music driven puzzlers, colorful Tactix-Bands, chess movies and clock slapping tournaments! All skill levels are welcome in this stress-free and fun learning environment.

Coding Beyond the Basics | Grades 4-9

Building upon the essentials introduced in Coding Fundamentals, campers will delve deeper into the world of programming through advanced projects, challenging games, and hands-on activities. This course is designed to elevate coding skills and encourage campers to explore more complex aspects of programming while laying the groundwork for their continued coding proficiency.

***Offsite transportation included**

Coding Fundamentals | Grades 1-6

Dive into the basics of coding with a fun and interactive introduction. Campers will learn fundamental coding concepts through exciting projects, games and activities while setting the foundation for future programming adventures. Personal devices are recommended but not required.

Creative Writing | Grades 1-9

Immerse yourself in the intersection of creativity and thought. Campers will engage in fun and imaginative writing activities while learning about different styles. Foster your creativity through storytelling and put pen to paper to bring life into your stories.

Dance the Day Away | Grades 1-6

Let us groove today! Join us for a weeklong exploration into dance fundamentals. From ballet pliés to jazz pirouettes and pom kicks, your budding dancer will learn the basics of different styles of dance to be combined into a fun routine at the end of the week.

Delicious Desserts | Grades 1-3 and Grades 4-9

Calling all aspiring bakers and pastry enthusiasts! This specialty will help you master the art of exquisite treats, one batch at a time. Open to novices and seasoned bakers alike, get ready to roll up your sleeves, dust off your aprons, and create dozens of sweet and savory treats, including cookies, cupcakes, pies and more!

Drab to Fab | Grades 1-6

Campers will make fashion art out of unconventional materials such as paper, tape, cups, balloons, fibers, strings and more. They will explore surface design changes with fabric dyeing, painting, stamping and distressing. This camp will focus on creating fun funky designs that are outside of the standard idea of fashion.

Dress My Doll | Grades 1-6

In this specialty, campers will learn the basic stitches of hand sewing and how to read a pattern. They will put their skills to the test and sew an outfit for their favorite doll. Fashion designers and their doll friends of all skill levels are welcomed.

Fencing – Beginner | Grades 3-9

Join world champion Bill Becker for an exciting fencing clinic designed for beginners! This is a great opportunity to learn the basics of fencing in a fun and friendly environment. Campers will build confidence while playing games, practicing footwork, improving coordination, and participating in drills and friendly matches.

Fencing – Advanced | Grades 3-9

Ready to take your fencing skills to the next level? Join world champion Bill Becker for advanced training just for you! This clinic will challenge you with dynamic drills, competitive bouts, and specialized games to enhance your technique and strategy. Gain confidence and refine your skills while working alongside fellow experienced fencers!

Game Strategy – Board Games | Grades 1-9

Roll the dice and strategize your way to victory! Campers will dive into the world of board games and learn the art of strategic gameplay. From classics to modern favorites, this specialty encourages critical thinking, decision-making and friendly competition. Get ready for a board game adventure!

Game Strategy – TCG | Grades 1-9

Participants will engage in workshops focused on deck-building strategies, gameplay mechanics, and card trading techniques. This exciting experience brings together enthusiasts of all skill levels to explore popular games like Magic: The Gathering, Pokémon, and Yu-Gi-Oh! Beyond gameplay, there will be sessions on the art of card design and storytelling, encouraging creativity and collaboration.

Handmade Haven | Grades 1-9

Embark on a creative journey across a spectrum of artistic disciplines. From printmaking to pottery, to soap and candle making, campers will become honorary artisans. This session is perfect for craft enthusiasts who want a week of working with their hands.

Hooks & Loops | Grades 3-9

We are pleased to announce this new specialty all about Fiber Arts! Get ready for fun with yards of yarn as campers are guided through the creative process and create projects to take home.

***Horseback Riding** | Grades 4-9

This specialty is perfect for any horse-lover. Campers will venture offsite for horseback instruction at Windemere Equestrian Center. Each day focuses on riding and essential horse-care skills from expert instructors. **Early departure and late arrival.**

***Jax of all Trades** | Grades 1-5

Learn about the many jobs that make our city work the way it does. Every day we will explore a new career, talk with experts, and get hands on experience in this unique program.

***Offsite transportation included**

***Junior Ranger Explorations | Grades 1-9**

Nature lovers and environmental enthusiasts alike will enjoy this quest into the great outdoors. We will learn about wildlife, ecosystems, and conservation efforts while earning our Florida Junior Ranger Badges.

Maccabi Jamboree | Grades 1-9

Join us for this thrilling introduction to the world of the JCC Maccabi Games, an Olympic-style event for Jewish youth and teens. Campers will learn agility, sportsmanship and hand-eye coordination. Each day focuses on a specific sport, ranging from ultimate frisbee, flag football, soccer, tennis and volleyball.

Master Builders | Grades 4-9

Take your love for LEGO® to the next level! Experienced LEGO Builders will tackle new challenges, large builds, and work on mastering building techniques. This program is designed for campers who loved Brick Basics and want more!

Mini Maestros | Grades 1-5

Create the beat of your own drum! Here we will learn about rhythm, melody, and how to read music while trying out a variety of different instruments. Perfect for any budding musicians.

Painting Pizzazz | Grades 1-9

Discover the joy of painting in Painting Pizzazz! This specialty includes landscapes, abstracts, portraits and more. Receive instruction and guidance in a fun, no pressure atmosphere.

Soccer | Grades 1-5

Kick off an unforgettable soccer experience and elevate your skills and passion! Our program focuses on key techniques like dribbling, passing, scoring and team building.

Stellar STEM | Grades 1-5

Embark on a journey to the fascinating world of Science, Technology, Engineering and Mathematics (STEM). Campers will engage in hands-on experiments, problem-solving activities and collaborative projects while fostering a love for exploration and innovation.

Stitch it Up! | Grades 1-6

Sewing is an invaluable skill that opens the door to creating amazing things, and that's exactly what we will explore! In this workshop, campers will master the basics of sewing while discovering innovative ways to transform fabric into something fresh and exciting. They will be guided through 4-6 projects, all while picking up new skills along the way.

Tennis | Grades 3-9

Perfect for beginner and intermediate players, this specialty is led by experienced instructors and focuses on basic strokes and shots. From forehands to serves, each day brings dynamic skill-building activities.

The Illusionist's Magic Academy | Grades 1-9

Become a true illusionist! Learn to perform incredible magic tricks from magician JULIUS MAGIC and perform a dazzling show for family and friends at the end of the week. Take home your magic kit after the session!

Tomorrow's Technology | Grades 4-9

Want a deeper dive into STEM and the technology utilized? Offering unique hands-on experience with cutting edge equipment, Tomorrow's Technology will ignite a passion for innovation and problem solving. This lab is designed for campers who loved Stellar STEM and want more!

***Woodworking Wonders | Grades 1-9**

Unleash your creativity by working with your hands to craft projects out of wood. Participants will learn essential techniques to create, build and decorate 4-6 unique wooden masterpieces.

***Offsite transportation included**
