

Shoresh, Anaf and Aliyah

With morning songs, cheers, weekly themes, dress-up days, special events, and a *Shabbat* program every Friday, this traditional camp experience builds on our popular Sabra and HaBonim programs with a new twist. Giving children the opportunity to meet challenges and expand friendships, every camper will participate in activities designed to develop social skills.

Keeping our campers safe is our priority; therefore, we do not offer accommodations for children who cannot participate in water activities.

Within our programs, groups are designed to meet both each camper's needs as an individual and the needs of the program. Placement is based on age, grade, elective choices and other factors to create well-balanced groups. While friendship requests are accepted, they are requests only and not guaranteed. Requests must be reciprocal and emailed to JCAmp@jcajax.org two weeks prior to your campers session to be considered in the placement process.

JCAmp runs from 9 am – 3:30 pm. Campers bring a dairy lunch and swimsuit daily. Snack is provided daily.
