Jewish Community Alliance Youth Services Department Financial Contract 2022-2023

Student Name: _____ **Date Beginning Program:** _____

Days per Week: _____ **After School Tuition:** \$ _____

Payment Options: Pay in Full 8/1/22 6 Equal Payments 8/1/22-1/1/23

In consideration of tuition as set forth in the contract, the Jewish Community Alliance (the JCA) will provide a JCA After School program.

We/I the parent(s) and/or guardian(s) of the above-mentioned child and the JCA acknowledge and agree to the following terms:

1. We/I are aware and agree to pay a \$20.00 late fee on any unpaid balance remaining on account after the 1st of the month.
2. We/I understand that this agreement signifies a financial commitment for the school year 2022-2023. Therefore, in the event of withdrawal from the program, we/I are still obligated to pay our/my child's tuition through the end of the applicable school term.
3. Tuitions advertised in the 2022-2023 registration packets are effective on August 15, 2022 (or the first day of your child's school program). Mid-year program changes may result in tuitions that are slightly higher than those in our published brochure and will be calculated on an individual basis.
4. We/I understand there are no deductions in tuition for days absent due to illness, vacations, holidays, community/national emergencies or program closings due to weather, natural disasters or utility outages.
5. We/I understand families with outstanding balances of 30 days or more may be subject to withdrawal of their child/children from programs in the Youth Services Department unless alternative arrangements have been made with our office. Reentry into the program will require another registration fee. Outstanding balances may be sent to outside sources for collection (as stated in Article #11). The full remaining balance of tuition of children withdrawn from the program by parent(s) or by lack of payment will still be due as applicable to the child. This includes non-member fees due.
6. We/I understand families with outstanding balances over 30 days past due, will not be accepted for registration into the next year's program, the current year's enrichment classes, or summer camp programs until such balances are paid in full. The child(ren) will be placed on a waiting list, will be subject to losing a space in the program, and will forfeit any registration fees paid.
7. Requests for program withdrawal will be subject to review by the administrative review committee. All tuitions are due and owing pursuant to this financial contract unless waived in writing by the administrative review committee after a timely submission of request. The decision to grant such a waiver is completely discretionary.
8. Changes in your child's selected days, times, or schedules may be made up to 10 business days from the date the JCA receives this financial contract; changes are contingent on space availability. After that time, there will be a \$25.00 change fee, per child, each time a change is made in your selected days, times, or schedules. There are no refunds or credits for monies prepaid if the change results in a lesser tuition. A request for a change in schedule that results in a reduction of hours will not reduce your initial financial commitment to the tuition amount for which you originally registered.
9. At any point during the same fiscal year, should a child's family decide to join the JCA a credit (up to three-month's membership discount for one child only) will be applied.
10. In the event your membership status changes, and you are no longer a member of the JCA during the school year, additional tuition charges will apply. If not paid, Article #5 applies.
11. We/I agree to pay all costs of collection, including but not limited to reasonable attorney's fees and court costs, if payment is not made as agreed (whether suit be brought or not).
12. All installment payments must be made via auto draft (bank account or credit card).

**The JCA reserves the right at any time to increase the cost of tuition based on the needs of the program. Payments received prior to any increases would be exempt.*

**The JCA reserves the right at any time to modify the above policies when deemed in the best interests of the Agency.*
