WELCOME TO JACKSONVILLE'S "BEST" SUMMER CAMP

where we embrace the moments and cherish the time with familiar favorites and new offerings!

At JCamp, our days are enriched through Teamwork, Instilling self-confidence, Making a difference and Empathy. Campers gain leadership skills, develop a greater appreciation and respect for cultural differences, engage in team-building activities and enjoy activities in one of two fabulous locations.

The JCA's extensive campus at 8505 San Jose Boulevard includes indoor and outdoor pools, tennis courts, a full court gymnasium, indoor running track, art studio, auditorium, dance and exercise studios and outdoor playgrounds and over 100,000 square feet of indoor space. (JCAMP Warm Up and Wind Down, Pattycakes, K'Ton, Tovim, Kindercamp, Sababa Theatre Camp and Camp Aman).

A second campsite is located at the Jacksonville Jewish Center, 3662 Crown Point Road. An excellent facility with multifunctional indoor spaces, a swimming pool, baseball field, tennis courts and more, the JJC provides an ideal setting for unlimited JCamp experiences! (Shores, Anaf, Aliyah, Yalla, and Mensch Counselors-in-Training).

SABABA (Suh-bah-bah = It's all good) THEATRE CAMP

Rising Grades 1 - 9

Sababa Theatre Camp provides a fun, safe space for our creative campers. In each four-week session campers will work collaboratively on building a musical theatre show while learning the art of character development, choreography, vocal training and set design from theatre professionals.

It is our goal for our campers to end their summer with a heightened sense of self-esteem, better oral communication skills, techniques in problem solving and the ability to work with a team all in a fun, creative environment. These skills along with self-confidence, self-discipline, time management, and the ability to be flexible and adapt are just some of the life skills that theatre teaches.

Along with our creative classes and rehearsals campers will also have free play, go swimming and enjoy special theme days.

JCamp runs from 9 am - 3:30 pm. Campers bring a dairy lunch and swimsuit daily. Snack is provided daily.

Session 1 | 6/8 - 7/2

Rising Grades 1 - 3

Show: Dare to Dream! Celebrating 100 years of Disney

Show Date: Wed, Jul 1 | 7 PM

Dare to Dream is a musical revue that follows an eager group of trainees on their first day at a fictional Walt Disney Imagineering Studio. As the group sets out to help each other discover their dreams, they work together to explore the power of dreams to unite, inspire, and make anything possible.

Rising Grades 4 - 9

Show: From Page to the Stage

Show Date: Thu, Jul 2 | 7 PM

From Page to Stage is an original musical where some of your favorite literary characters will jump out the pages of the books in which they are featured and onto the stage! Songs and scenes will include characters from Harry Potter, Junie B. Jones, Wicked, Little Women, Wizard of Oz and more!!

Session 2 | 7/6 - 7/31

Rising Grades 1 - 3

Show: Sababa Playhouse

Show Date: Wed Jul 29 | 7 PM

Join us for a trip down memory lane and a look into the future of children's programming! This special showcase celebrates the power of storytelling with a curated collection of programs that spark curiosity, creativity, and laughter in young minds. From beloved classics like Sesame Street, Electric Company and Captain Kangaroo to brand-new series like Daniel Tiger, Wild Kratts and more! Discover how the past generations were entertained and educated through the magic of children's programming and see what the future holds!

Rising Grades 4 - 9

Show: Welcome to the 60's

Show Date: Thu Jul 30 | 7 PM

This original musical will have you stepping back in time to the "Swinging Sixties," a decade defined by transformative social change and explosive creativity. This showcase captures the vibrant energy of the era, exploring its revolutionary music, mod fashion, and powerful movements that reshaped society forever.

CAMP AMAN

(Ah-man - Experts)

Rising Grades 1 - 9

Camp Aman offers campers the chance to fully immerse themselves in a subject they are passionate about, with each program centered on building expertise through hands-on learning. Led by experienced staff and vendors, campers develop new abilities each week in a fun, focused setting. We offer a variety of topics and flexible half-day options, so children can explore multiple interests and maximize their potential. All supplies are included in pricing.

CREATIVE ARTS

Artistic Expressions

Unleash your imagination, combined with artistic techniques learned from popular artists, to create stunning pieces that reflect yourself. Many mediums will be explored so that the young artists can find their muse.

Artistic Impressions

Paint, sculpt, and draw like the masters. Every day in this class we will learn about a different artist and their unique style, trying to mimic and master the techniques that made them famous.

Painting Pizzazz

Discover the joy of painting in Painting Pizzazz! This specialty includes landscapes, abstracts, portraits and more. Receive instruction and guidance in a fun, no pressure atmosphere.

Handmade Haven

Embark on a creative journey across a spectrum of artistic disciplines. Printmaking and pottery, soap and candle making - campers will become honorary artisans.

Modern Masters

Step into the studio and paint like the pros! Inspired by famous artists such as Van Gogh, Matisse, and Picasso, campers will experiment with color, texture, and style to create their own gallery-worthy masterpieces.

Art Around the World

Pack your creative passport and explore the globe through art! Each day, campers will travel to a new country and discover unique artistic traditions — from Aboriginal dot paintings to colorful Mexican folk art.

Sewing 101: Stitch it Up!

Sewing is an incredible skill that sparks creativity and confidence! Campers will learn to safely use a sewing machine while mastering the basics of stitching, cutting, and design. Guided by experienced instructors, campers will complete 4 - 6 projects.

Dress My Doll

In this specialty, campers will learn the basic stitches of hand sewing and how to read a pattern. They'll put their skills to the test and sew an outfit for their favorite doll. Fashion designers and their doll friends of all skill levels are welcomed.

Runway Reimagined

Campers will make fashion art out of unconventional materials like paper, tape, cups, balloons, fibers, strings, and more. They will explore surface design with fabric dyeing, painting, stamping and distressing.

Fashion Graphic Design

Where fashion meets technology! In this creative specialty, campers will design and personalize items like t-shirts, aprons, and school supplies using fashion design software and vinyl printing. It's a hands-on, fashion-forward experience that blends digital creativity with real-world design skills.

Sew Sustainable

In this fun, hands-on class, kids will bring old clothing, t-shirts, and accessories from home and transform them into something brand new! Patchwork designs, customized tees, denim makeovers, and creative fashion accessories galore - your child will learn to sew, design, and express their style.

Back-To-School Sew Off

Campers spend a week designing and sewing their own school essentials — from pencil pouches and lunch bags to backpacks and apparel. The week culminates in a Fashion Show. Parents are invited to attend and celebrate their child's creativity.

WRITING

JCAmp Newsroom

Extra! Extra! Read all about it! Step inside the exciting world of journalism as campers become reporters, editors, and photographers for the official JCAmp Newsroom. Young journalists will uncover stories around camp, conduct interviews, and create engaging articles, photos, and videos.

Creative Writing

Foster creativity through stories, and immerse yourself in the intersection of creativity and thought. Campers will engage in fun and imaginative writing activities while learning about different styles.

Book Binders

Where imagination meets illustration! Campers will dream up their own characters, stories, and worlds, then bring them to life through drawing, painting, and mixed media. By the end of the week, each artist will have created a one-of-a-kind storybook to share.

STEM

Stellar STEM

Embark on a journey to the fascinating world of Science, Technology, Engineering and Mathematics (STEM). Campers will engage in hands-on experiments, problem-solving activities and collaborative projects while fostering a love for innovation.

Tomorrow's Technology

Want a deeper dive into STEM and the technology used? Offering unique hands-on experience with cutting edge equipment, Tomorrow's Technology, will ignite a passion for innovation and problem solving.

Brick Basics

Develop your inner Brick Builder in a class that blends the art of LEGO® building with the excitement of creative exploration and scientific concepts. Campers will craft imaginative spaces, places and characters while fostering collaboration, creativity and a love for learning - all through the versatile medium of LEGO® bricks.

Master Builders

Take your love for building to the next level! Experienced LEGO® Builders will tackle new challenges, large builds, and work on mastering building techniques. This program is designed for campers who love Brick Basics and want more!

Inventors Workshop

Dream it, design it, build it! In this hands-on inventors' lab, campers will brainstorm creative solutions to everyday problems and bring their ideas to life through building, testing, and teamwork. From prototypes to problem-solving, everyday sparks innovation!

B3 Future Vet

Campers become real veterinarians for a week - performing mock exams, lab tests, and even a simulated surgery while learning about animal anatomy and care. Each participant receives a lab coat, stethoscope, and stuffed dog to "adopt." In addition to science fun, campers will explore Engineering, Technology, Art, and Personal Discovery through hands-on projects.

B3 Future Doctor

Step into the world of medicine and experience what it's like to be a real doctor! Campers will explore the circulatory, respiratory, skeletal, integumentary, and nervous systems through fun, hands-on labs, simulations, and roleplay. Each young doctor will receive a lab coat and stethoscope to use during camp and take home at week's end.

B3 Space Explorers - Star Wars™ STEM Adventure

Calling all young Jedi and future astronauts! Get ready for an out-of-this-world week of science, creativity, and galactic fun. Campers will launch rockets, build light sabers, engineer astronaut helmets, and train like Jedi Masters. Campers will even engineer astronaut helmets all while exploring space, gravity, and the solar system.

B3 Super Slime Lab

Slime fans, get ready for the ultimate ooey-goopy adventure! Campers will experiment with ingredients to make glowing, color-changing, magnetic, and galaxy slimes while discovering the science of polymers. Each creation doubles as a hands-on experiment—and they get to take them all home!

B3 Magical World of Wizards - Harry Potter™ Inspired STEAM Adventure!

If you've ever dreamed of getting your Hogwarts letter, this is your chance! Campers will step into a world of magic and science as they craft their own unique magic wand and discover the "science behind the spells." Through exciting chemistry experiments, they'll brew dazzling potions like vampire veins, glowing elixirs, color-changing concoctions, and bubbling brews — all while learning real scientific principles in a hands-on, magical way.

B3 Kid Code - Apps and Drone Programming

Get ready to code, create, and fly! In this exciting tech-powered camp, young innovators will explore the world of coding and app design, starting with fun sequencing games and advancing to building real mobile apps they can download and share. Campers will program and pilot drones, learning the logic, precision, and creativity that power modern technology.

B3 Bots - Robotics and Drone Programming

Get ready to build, code, and fly! At B3 Bots, campers step into the exciting world of robotics and drone programming, where creativity meets technology. Kids will design and build LEGO®-compatible robots, then bring them to life through remote controls, drag-and-drop coding, and even Python programming for advanced learners. They will explore drone technology, learn how to program flight paths and complete aerial missions!

MAGIC AND GAMES

Amazing Magician's Workshop

Magicians will dive into the world of close-up magic, mastering incredible classic professional tricks with rings, silk handkerchiefs, sponge balls, cards, ropes, cups and balls, and other everyday objects. Each camper receives a professional magic kit to keep, filled with amazing props. The week culminates in a special performance where they'll share their new skills with family, friends, and fellow campers!

Amazing Magician's Stage

This camp includes everything in the Magician's Workshop and focuses more on the art of performance and mind-reading. Campers will learn how to captivate an audience, improvise, present their magic with confidence, and perform baffling feats of mentalism that will amaze everyone. Of course, every performer gets a unique magic kit to take home! On the final day, they'll star in an exciting magic show for parents and friends to showcase their incredible new talents.

Chess

Knight School Chess is a fun, high-energy experience where kids celebrate new chess tactics with silly videos, music driven puzzlers, colorful Tactixbands, chess movies and clock slapping tournaments! All skill levels are welcome in this stress-free and fun learning environment.

Game Strategy - Board Games

Roll the dice and strategize your way to victory! Campers will dive into the world of board games and learn the art of strategic gameplay. From classics to modern favorites, this specialty encourages critical thinking, decision-making, and friendly competition.

Game Strategy - Deck Builders

Participants will engage in workshops focused on deck-building strategies, gameplay mechanics, and card trading techniques. This exciting experience brings together enthusiasts of all skill levels to explore popular games like Magic: The Gathering, Pokémon, and Yu-Gi-Oh! Beyond gameplay, there will be sessions on the art of card design and storytelling, encouraging creativity and collaboration.

SPORTS

Tennis

Perfect for beginner and intermediate players, this specialty is led by the JCA's experienced instructors and focuses on basic strokes and shots. From forehands to serves, each day brings dynamic skill-building activities.

Basketball Clinic

Elevate your game this summer! Perfect for aspiring athletes, this program focuses on honing fundamental skills such as dribbling, passing, and shooting, while fostering teamwork and sportsmanship.

Soccer Clinic

Kick off an unforgettable soccer experience and elevate your skills and passion! Our program focuses on key techniques like dribbling, passing, scoring and team building.

Maccabi Jamboree

Join us for this thrilling introduction to the world of the JCC Maccabi Youth Games, an Olympic-style event for Jewish youth and teens. Campers will learn agility, sportsmanship, and hand-eye coordination. Each day focuses on a different sport, ranging from ultimate frisbee, flag football, soccer, tennis, to volleyball.

Gymnastics

Tumble, stretch, and soar in this exciting introduction to gymnastics! Campers will focus on developing strength, flexibility, balance, and coordination through fun, skill-building activities. Basic moves such as rolls, handstands, cartwheels, and bridges will be introduced in a supportive environment that encourages confidence and body awareness.

COOKING

Delicious Desserts

Calling all aspiring bakers and pastry enthusiasts! This specialty will help you master the art of exquisite treats, one batch at a time. Open to novices and seasoned bakers alike, get ready to roll up your sleeves, dust off your aprons, and create dozens of cookies, cupcakes, pies and more!

Chopped!

Inspired by the hit TV show Chopped!, campers will test their creativity and cooking skills as they transform surprise ingredients into delicious dishes. Each day brings new challenges, from sweet treats to savory sensations, as young chefs learn teamwork, technique, and time management.

Snack Attack

Snack Attack serves hands-on fun in the kitchen! Campers will practice real cooking skills as they create a mix of baked, no-bake, sweet, and savory recipes—from soft pretzels to parfaits and more. Each day brings new flavors, skills, and smiles.

OFF-SITE

Jax of all Trades

Come and learn about the many jobs that make our city work the way it does. Everyday we will explore a new career, talk with experts, and get hands on experience in this unique program.

Horseback Riding

This specialty is perfect for any horse-lover. Campers will venture offsite for horseback instruction at Windemere Equestrian Center. Each day focuses on riding and essential horse-care skills from expert instructors.

Woodworking Wonders

Unleash your creativity by working with your hands to craft projects out of wood. Participants will learn essential techniques to create, build, and decorate 4-6 unique wooden masterpieces.

Junior Ranger Explorations

Nature lovers and environmental enthusiasts alike will enjoy this quest into the great outdoors. We will learn about wildlife, ecosystems, and conservation efforts while earning our Florida Junior Ranger Badges.

YALLA

(yah-la - LET'S GO)

Rising Grades 7-9

Join Yalla for an experience like no other. Each day, campers will board JCA transportation and traverse across Northeast Florida in search of excitement. From local attractions to (semi)distant adventures, campers are poised to have experiences to remember. Each week will include a volunteer component for campers to earn services hours (volunteer activities may be subject to change). Please know that given the outdoor venues in which many of our activities take place, all heat-related safety precautions are taken.

WEEK 1 | 6/8 - 6/12

Surf Camp

In partnership with Surf Into Summer Surf Camp, surfers learn ocean awareness, surfing techniques, surf etiquette and proper equipment and wave selection. All levels of instruction are welcome and no prior surfing experience is necessary.

\$555 | Valued member \$525

WEEK 2 | 6/15 - 6/19

WEEK 4 | 6/29 - 7/2

WEEK 6 | 7/13 - 7/17

Explore the 904 (And More!)

DUUUUVALLL. We'll partake in a variety of activities that showcase some of the best offerings of the First Coast and beyond. We'll visit local landmarks, historical locations, natural attractions and other outings that will solidify North Florida as one of the best places to explore.

\$430 | Valued member \$400

WEEK 3 | 6/22 - 6/26

State of The Arts

Florida is a state that is well-known for its artistic communities, murals and museums. We will meet with local artists, visit some of Jacksonville's premier galleries and make our own works of art using a variety of mediums. Teen artists can expect to work with acrylic paint, pottery and spray paint as we explore the State of the Arts.

\$480 | Valued member \$450

WEEK 5 | 7/6 - 7/10

Yalla Goes Wild

Aspiring naturalists will explore some of the finest flora and fauna Florida has to offer. We will have up-close animal experiences facilitated by professional zookeepers, explore coastal and freshwater habitats and enjoy the beauty of Florida's unspoiled beaches and springs.

\$480 | Valued member \$450

WEEK 7 | 7/20 - 7/24

Foodie Express

Next stop: FLAVORTOWN! Food is more than a meal, it's an experience. Yalla campers will learn from professional chefs at Jax Cooking Studio to create memorable dishes and receive a recipe book at the end of the session. We'll also explore a few of Jacksonville's foodie spots and enjoy a little taste of the town.

\$530 | Valued member \$500

WEEK 8 | 7/27 - 7/31

The Ultimate Challenge

Adrenaline seekers will thrive in this week filled with outings designed for adventurous campers. Each day will present a new opportunity to chase thrills through a variety of outings ranging from ropes courses, rock climbing, adventure parks and team-based competitions. Ask yourself: *Are you ready for the ultimate challenge?*

\$480 | Valued member \$450

SUMMER AQUATICS

SWIM ASSESSMENT AND INFORMATION

The JCA is an authorized provider for the American Red Cross. All skills taught follow the Red Cross Learn-to-Swim Program guidelines. JCamp lesson plans are a modified version of our Learn to Swim Curriculum, focusing on water safety and lifesaving skills, not stroke development.

-  Lifeguard ratios are approved and standardized by the American Red Cross.
-  JCA and The Center pools meet or exceed the state requirements for aquatic facilities.
-  Pool water chemistry is tested at least every three hours throughout the day, exceeding health department requirements.
-  Pool use is contingent on weather and health and safety standards. We will never compromise our standards to keep the pool open.
-  All campers will be required to participate in a swimming skills assessment at each location they attend JCamp this summer. Due to facility differences, we do not transfer swim assessments between sites.
-  Campers will be assigned a yellow or red swim neckband to wear in the pool throughout camp based on the strength of their swimming ability. These bands will assist our American Red Cross certified lifeguards in keeping our less experienced swimmers safe.
-  The JCA will supply YELLOW (swimmers who pass the test) and RED (swimmers identified at risk) neckbands to each child. Children with red neckbands will be required to wear a Coast Guard approved life jacket. Please do not send neck bands from home.

SWIM INSTRUCTION

K'Ton, Tovim and Shoresh

JCA swim instructors are certified and trained Water Safety Instructors (W.S.I.) and Instructor Aides

-  Swim groups are formed according to swim ability.
-  Our Learn to Swim group lesson program, which utilizes a level-by-level curriculum focused on in-depth stroke development is available in the afternoons on-site at the JCA.

MENSCH

(men-sh - A person of integrity)

Counselor-in-Training Program

Rising Grade 10

Held exclusively at the Jacksonville Jewish Center location, the Mensch Counselor-in-Training (CIT) program is a JCAMP experience for participants entering 10th grade that is designed to nurture critical thinking, communication, collaboration and creativity while gaining hands-on practice and earning service hours (check with your school!). These skills are vital to social and professional development as a 21st-century leader in camp and beyond.

Our CITs participate in daily leadership and child development training and shadow seasoned staff in administration, cabin activities, and program areas. CITs work and grow in a fast-paced environment, team setting and demonstrate responsibility, reliability and dedication to their role.

A minimum of 2-week commitment is required.

JCamp runs from 9 am - 3:30 pm. CITs bring a dairy lunch and swimsuit daily. Snack is provided daily.

Session 1 | 6/8 - 6/19

Session 2 | 6/22 - 7/2

Session 3 | 7/6 - 7/17

Session 4 | 7/20 - 7/31

\$320 per session | Valued member \$260 per session

See Extended Day information for early and late options.*

EXTENDED DAY

Our JCamp day runs from 9 am - 3:30 pm. For families needing additional coverage we are pleased to offer Extended Day childcare options.

Prior to and after our JCamp program, extended day campers ramp up or wind down with a mixture of supervised games, movies and snacks.

JCamp families can register for AM extended day, PM extended day or both.

7:30 am - 9 am

1-week programs | \$30

2-week programs | \$60

4-week programs | \$120

3:30 pm - 6 pm

1-week programs | \$55

2-week programs | \$110

4-week programs | \$220

*While there is no charge for our Mensch participants utilizing Extended Day care, registration is required.

REGISTRATION

JCamp programs are open to all children regardless of race, religion or ethnicity.

Within our programs, groups are designed to meet both each camper's needs as an individual and the needs of the program. Placement is based on age, grade, and other factors to create well-balanced groups. While friendship requests are accepted, they are requests only and not guaranteed. Requests must be reciprocal and emailed to JCAMP@jcjax.org two weeks prior to your camper's session to be considered in the placement process (not available in Pattycakes, K'Ton, Tovim or Kindercamp).

Camp dates, times, and/or locations are subject to change.

The JCA reserves the right to change campers' group placement if placement does not serve the best interests of the individual or group.

While JCA Membership is not required, JCA members and children currently enrolled in Michele Block Gan Yeladim Preschool and Kindergarten, or for the 2026-27 school year, have priority registration through February 27. Guests are encouraged to submit applications with deposits early to secure a space when general registration opens. In the event space is not available, all monies are refunded.

Registration for all JCamp programs is required at least three business days prior to the start date. For additional information please contact programregistrar@jcjax.org.

FEES AND DEPOSITS

Applicants must be in good financial standing with the JCA to register for JCamp. All applications must be completed online or submitted to the Program Registrar's Office.

A nonrefundable, nontransferable \$100 deposit per session, regardless of session length, is due at the time of registration. Balances for all camp programs, regardless of session, must be made via auto draft (bank account or credit card) and paid in full by May 1, 2026. The JCA will not guarantee placement if balances are outstanding after that date.

FULL SUMMER/FULL PAYMENT DISCOUNT

JCamp families who register by February 27 for a minimum of eight weeks with full payment at the time of registration will receive a 5% discount. Initial payments must be made by cash or check only, made payable to JCA. There are no discounts for Pattycakes, K'Ton, Tovim or Kindercamp. This discount does not apply to those receiving financial assistance.

REFUNDS

While we know plans can change, JCamp deposits are non-refundable. Refunds of JCamp program fees will be granted only if the JCA is notified in writing of withdrawal prior to May 1. Notification of withdrawal on or after May 1 will result in the loss of all fees paid.

All changes to registration, including schedules or sessions, must be made in writing and will result in a \$15 charge per change payable at the time the change is made.

FINANCIAL ASSISTANCE

Through the generosity of our donors, need-based adjusted fees are available. Full deposits are still required upon registration. Financial Assistance forms, with required documentation including a 2025 tax return, must be received by March 13 to be considered for allocation by April 1. Late applications for tuition assistance are accepted for review provided there are remaining funds.

If you wish to receive a Financial Assistance packet, please indicate that on the registration form. If financial aid is insufficient or unavailable, deposits are refunded. For more information, contact Aileen Casado at aileen.casado@jcjax.org.

JCamp Mission

We work collaboratively to build quality relationships and experiences that support a sense of communal belonging and positive personal development for all.

JCamp Vision

To empower staff, campers and their families to create a fun, safe environment open to the entire community that fosters positive individual and communal-based growth built on a foundation of Jewish values.

JCampers are about to have the time of their lives!
