Dear Camp Families,

Being with friends and learning life-long skills is perhaps more important now than it ever was before. Yearning to have fun, being active, acquiring new skills and being part of a community are just some of the most cherished parts of summer camp - because they provide our children the opportunity to grow and learn all while making unforgettable memories.

Because we understand that many lifestyles have changed in recent years, we've added half and full day, one-week skill-focused summer camp programming to meet your family's ever-changing needs. Our Camp Gan Yeladim, KinderCamp, Sababa Theatre Camp, Sabra, Habonim, Yalla, Adventure Days and Kaytana camps are promised to challenge and engage your children this summer!

We are excited to enrich your children and allow them a safe and independent environment to learn and grow. At the Jewish Community Alliance, your children will gain leadership skills, develop a greater appreciation and respect for cultural differences, engage in team building activities and enjoy 35 acres of outdoor space thanks to our community partners at the Jacksonville Jewish Center.

It is our pleasure to share the plans for the 2023 Summer Camp season at the JCA.

We can't wait to see you, we hope you'll join us at the JCA this summer!

**"We didn't realize we were making memories.
We just knew we were having fun."**
